# Fly me to the moon

Cifra

**Am7**      **Dm7**      **G7**      **C7M**

Fly me to the moon, let me play among the stars,

**F7M**      **Dm7**      **E7**      **Am7**

Let me see what spring is like on Jupiter and mars,

**Dm7**      **G7**      **C7M**  
In other words, hold my hand!

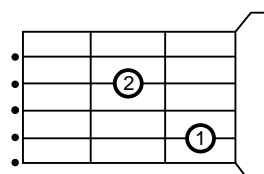

**Dm7**      **G7**      **C7M**  
In other words, darling kiss me!

**Am7**      **Dm7**      **G7**      **C7M**  
Fill my heart with song, and let me sing forever more

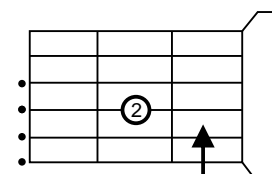

**F7M**      **Dm7**      **E7**      **Am7**  
you are all I long for all I worship & adore

**Dm7**      **G7**      **C7M**  
In other words, please be true!

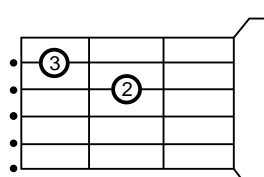

**Dm7**      **G7**      **C**  
In other words I love you
